INTRODUCTORY

At the second annual reunion held at Mount Gretna, Pennsylvania, on 3 September, 1923, the writer was elected historian of the Hunsberger Family Association. After a year of careful inquiry and research it is quite apparent that anything like a really connected "history" is well-nigh impossible. The earlier ancestors were peasants for the most part who were too busily engaged with their daily toil to find any time for the "pen and ink work" required to keep records and accounts. Furthermore, even if there were time for writing there was no desire to do so. These industrious workers belittled "book learning" and were inclined to despise anyone who did not labor with his hands from sun to sun. Moreover, the early ancestors seemed to desire to "burn the bridges behind them". Again and again we find connections broken and links missing apparently because these people desired to break with and forget the past.

Accordingly, the only written records extant consist of extracts from legal documents such as deeds and wills. Even the family Bibles have scanty information. In fact, very few family records were kept at all and many of these old Bibles have been destroyed or lost or sold at public sales with the household goods.

Even tradition is lacking for the most part. A very few members of the family were sufficiently interested to keep in mind the statements of their grand parents that the first Hunsbergers to reach America came from Germany or from Switzerland.

The historian sent out brief questionnaires to as many members of the family as he could find listed in telephone directories, by writing to postmasters, to friends and to relatives. The replies to these questionnaires and the court records of the counties in which our ancestors settled constitute the main sources of material to date (1924).

All of this material is fragmentary, disconnected, extremely meager and in some respects almost of no value as history. And yet by carefully arranging names, dates and known connections a fair beginning of building up portions of genealogy has been made.

In this preliminary work the historian has found eighteen different ways of spelling the name. These variations are: Hundsberger, Hunds bury, Hundsperg, Hundsperger, Hundtschberger, Hundtsperger, Hunsberg, Hunsberger, Hunsberry, Hunschberger, Hunshberger, Hunsperger, Huntsberger, Huntsberry, Huntschberger, Huntsperger, Huntzberg, Huntzberger.

Doubtless still other forms of spelling will be found as the work proceeds. These variations are due to the fact that the early members of the family did not write their names and pronounced them in German, which was their mother tongue. Officials, such as assessors, tax gatherers and county squires, who had dealings with these people wrote down what they thought they heard. In each place the spelling would be such as the official in that place made it. In one of the ancient wills recorded, the maker of the will calls himself Hunsberger but mentions his brother as Hunsberry. It may well be that the brother, in order to realize his portion, was obliged to sign his name as given in the will and perhaps his children of the next generation did the same.

At any rate the spelling of the names has only a slight signification for the earlier years from 1725 to 1825. After 1800 many of the forms of spelling

became fixed and have so remained to the present time.

There is a persistent tradition among all who have expressed themselves that "all the Hunsbergers are related". Indeed as the work of research goes on more and more individuals and "lines" are being properly placed in the genealogical table.

But after all, the gaps or periods of time between which there is no connection apparent are so numerous that the work done can in no sense be termed "history". It is merely an assembly of extracts and quotations arranged in such order as seemed clearest. It may be that in time many of these gaps can be filled in and a portion of real history be constructed.

In order to ascertain the origin of the Hunsbergers, letters were sent to various cities in Germany addressed to the bureau of police. The replies to these letters were all the same in substance that there are not now and never were any Hunsbergers in those cities. Letters were also sent to American consuls in various cities of Europe, requesting assistance and information. None of these letters brought any result excepting the letter sent to the American consul in Bern, Switzerland. This inquiry was the means of opening up a most interesting and fruitful correspondence. The material received from the Canton Bern in Switzerland constitutes the first chapter which is herewith submitted to the Hunsbergers in America just as received. Some of the dates given appear to be impossible and yet in order not to delay while verifications are made, this information is given for what it may be worth and in the hope that many readers will become sufficiently interested to help revise, correct and develop the work and results of research still further.

THE STATE ARCHIVE OF THE CANTON BERN

MR. BYRON K. HUNSBERGER,

313 West Farnance St.,

Norristown, Pa.

Very Honored Sir:

We possess here for the 17th and 18th centuries almost no systematic lists of emigrants. Those pertaining to information of emigrants are rather scattered in minutes, accounts, and deeds and must be painstakingly collected. Many people at that time also emigrated secretly, because the government made obstacles for them, and because before the emigration they were unwilling to pay a set tax (5-10% of their wealth).

What concerns your family, this originally springs from the hamlet Hunsberg which lies about three hours northeast of Berne in the vicinity of the village Krauchthal. From there the Hunsbergers scattered into the neighborhood and are still settled in the communities Wynigen and Bickigen.

If one desires to obtain exact statements regarding this family, one must search numerous old rent books, parish registers, court records, etc., which requires perhaps a week's work. The charges would amount to at least one hundred francs and must be remitted in advance.

We have persons who possess experience in such investigations and secure them conscientiously. We would surely be able to gather together much information about the Hunsberger family. But whether it can be accurately found when members of this family emigrated to America I cannot say positively in advance.

The State Archive of the Canton Bern.

With pleasure I perceive that you have interest for the land of your ancestors and I greet you

In high respect

The State Archive Manager

G. KURZ.

A generous contribution made by Doctor J. Newton Hunsberger, of Norristown, Pennsylvania, enabled the historian to accept the invitation quoted above and after an interval of several months a packet of extracts from old Swiss documents was received.

This material is disappointing in that it fails to show any connection between the different persons bearing the family name and also fails to establish the identity of any Hunsberger as leaving Switzerland for America. However, the repetition of the various forms of the name exactly as found in the documents in America and the habits and doings of these people as described are of absorbing interest to those who surely belong to the same original stock as these ancient Swiss Hunsbergers. To save expense only the more important paragraphs are printed at this time.

BYRON K. HUNSBERGER, ESQ.,

Norristown, Pa.,

313 West Fornance Street.

Sir,

I send you now a considerable number of notices, drawn out of ancient documents, which are in relation to your family. As you may see in the "observations" added to these extracts, it takes rise a very long time ago and I congratulate you to be the descendant of such an old and honourable race of Switzerland. I am sorry to tell you, that till now no documents said us, in what epoch your ancestors have left Switzerland.

Yet we have perused only a part of our records. It would be of great importance to examine still a certain number of old accounts and the parish-registers of Kirchberg and Wynigen. This work may take two or three weeks and the price will be 30-40 dollars. If you wish it to be done, please send us this amount. With a few weeks the present letter will be followed by a photograph of the village of Hunsperg. It is not possible to take it in this moment the whole country being

covered with snow, which makes very difficult any trip to the village.

Yours truly,
G. KURZ.

OBSERVATIONS

The family Hunsberger of the canton Bern in Switzerland can be referred here to the 13th century.

It descends of the very small village Hunsperg situated by 3 hours to north-east from Berne in the parish of Krauchthal. It is only this locality in the whole Switzerland, which is called Hunsperg. The origin of the family Hunsberger from this locality is sure at all events.

This small village could not support many people, and a great deal of them had to emigrate at the different epochs.

In the new home the emigrants had been called "von Hunsperg" or "Hunsperger" or only "Hunsperg", and this call became the family-name of them. The form "von Hunsperg" will not say, that this people are noble. They rather were peasants, and some of them became citizens of the towns of Berne and Burgdorf.

In this two towns, there lived from the 13th to the 17th century many respected people of this name. The most members of them remained peasants. They spread in the country of Emmenthal, which is neighbouring to their native-country. (Oberburg and Kirchberg are downwards and Langnau, Trub, Signau and Eggiwil upwards of this country.)

In the 16th century at the least, some people of this family emigrated to the environs of the considerable village Wynigen. Even at present the Hunsberger belong to this parish. In the other parishes, which have been enumerated their citizenship is lost. It is to observe that just the section of the parish of Kirchberg, where the Hunsperger had the citizenship, had been joint in 1910 to the parish of Wynigen.

Cristan von Huntzberg lives in the city of Bern and has been chosen to the high town council. He takes the prescribed oath.

This Cristan springs without doubt from the hamlet the name of which is today written *Hunsperg*. This hamlet is situated about three travel-hours from the city Bern in the community Krauchthal. Instead of "*Von Hunsperg*" there was later employed the name form "*Hunsperger*" (*Hunsberger*) or also simply "*Hunsperg*". It is probable that the above named Cristan living in the 13th century is related to those who today bear the name *Hunsberger*. The proof of this cannot be shown positively because people in those olden times did not as yet keep any records concerning birth, marriage and death. But it is positive that the little village *Hunsberg* near *Krauchthal* is the original home of the family named for it.

About 1400
Udelbook 9, 113

Heini Huntzperg a farmer at Oberburg near Burgdorf has placed himself under the right and the protection of the city Bern and pays therefore yearly in that way a tax called "*Udel*" amounting to three gulden (\$1.50 in 1924). He possesses the so-called outsider citizenship right. (*Ausburgerrecht*)

In like manner at about this time Wernli Huntzberg and his son Heini possess the outsider citizenship right. He appears to be another Heini and not the one mentioned above. The place of residence is not given.

April 22, 1418
O. Spr. A. 130

Between the Carthusian monastery Thorberg and two property owners of Hunsberg named Henslin von Swartzenburg and Peter Spiller exists a contention whether the Carthusians and their people of Krauchthal are permitted to use the fruit of the oak trees on this mountain or whether they belong to the above-named property owners. The authorities of Bern had the matter investigated and now assign the right of use to the monastery.

(The little village *Hunsperg* is situated entirely in the vicinity of the ancient monastery Thorberg where there is now a house of correction. The fruit of the oak trees served in former times as food for swine.)

15 April, 1420

Udelbook 114

Hensli Huntzberg with many other men out of the district of Langnau and Trub took up the outsider citizenship right of the city Bern just as Heini Huntzperg did about 1400.

August 29, 1420

O. Spr. A. 218

Between the monastery Thorberg on the one hand, Hensli von Swartzemburg, Heine, Peter and Cuno Spiller on the other hand, exists a contention in regard to the possession of several meadows of Huntzberg. In that place also stands a house. The authorities of Bern had the matter investigated and decree that the claims of the monastery are better established.

About 1440

Udelbook 8

Ullin and Hans Hunsperg, brothers, possess the outsiders citizenship right of the city Bern and live in the valley of Trub.

In the year 1446 Ullin died and disappears from the record.

From the references of 1400, 1420 and 1440 it follows that the family spread out into the province Emmenthäl which is situated south-east of Hunsperg. Now it has become extinct there.

April 13, 1468

Burgdorf-Book 1, 109

HANS HUNDSBERG, citizen of Burgdorf, buys from a prominent man in the city Bern with the name Georg Friburger the right to move into the village Heimiswil situated near Burgdorf. Besides, he buys from the same man a large meadow and pays for all 200 Rhine gold pieces (=400 shillings=20£). This Hans was according to this a very wealthy man.

From the record it follows that men of this family had moved away from the original home, the hamlet *Hunsperg* near Krauchthal to the place Burgdorf. Burgdorf is not far distant from *Hunsperg*, and indeed the place is not a village, as one could conclude from the name, but a city.

1500

Burgdorf 32, 70

In Kirchberg in a rent book of the monastery Thorberg CLEWI (NIKLAUS) HUNDSBERG is mentioned as a land owner. He appears as such more times, but does not himself appear to have been subject to rent to this monastery.

(The village Kirchberg is situated two hours distant from *Hunsperg*. A branch of the family thus settled in Kirchberg about the year 1500. The family is however at the present time no longer settled there.)

Nov. 1, 1548

Burgdorf-Book 1, 354

GEORGE HUNSPERG, a farmer of the village Wynigen borrows from another farmer of this village by name Wilhelm Jelin 21 gold pieces and binds himself to pay the yearly interest with 10 measures of grain.

(From this record it follows that the family had already spread out to the community Wynigen at least in the 16th century where it still possesses the right of a native.)

(Wynigen is in the same region as Hunsperg, Burgdorf and Kirchberg.)

About 1550

U. P. 23, 64

In a strife at Wynigen HANS HUNDSPERGER lost his life. There follows the legal investigation of the case. From this it appears that a certain Jacob Dietschi who was involved in the strife, acted in self defense but did not kill the said Hans. Another is the killer, who is yet to be found. Dietschi is declared innocent.

The document shows no date, but the writing belongs after the time about 1550. One compares the extract of 1548.

1569

U. P. 15, 14

According to a military review, it is asserted that PETER HUNDSPERGER possesses a sword, an iron helmet and a coat of mail. He is among the men of his community one of the best equipped.

(One compares the extract to the year 1500).

1582-1664
Urbarien Burgdorf 4, 104

About this time Georg Hundesperger, of Wynigen, exchanged with the monastery canon of Solothurn a property for a very large meadow. Hundesperger afterward sold this meadow to his neighbors.

In the tithe boundry description of Wynigen of 1664 are named as property owners Joseph Hundesperger (105 r) and Hanns Hundesperger as well as Jost Hundesperger (106 r).

1595
Urbarien Burgdorf 3, 199

Hanns Hundesperger at Wynigen has to pay 5 shillings ground rent for one of his court places. He possesses also at Hochfuren an acre (217 r).

According to the record of the ground rent at Wynigen a member of the court has dealings with Georg Hundesperger (214 r, 218 v).

23, June 1618
U. P. 5, 112

JOSEPH HUNDSPERGER, living in the village Langnau, in the agreement with his brother-in-law bought the homestead of his deceased father-in-law. He takes up at present on this property a mortgage of 800 pounds. The court of Langnau issues to him therefor a permit in which the property is described.

The Spring of 1619
Burgdorf-Buch 1, 145

Verena Hunsperger in the city of Burgdorf where in the year 1468 her ancestor Hans Hunsperger lived sells to the government two fairly large properties for 750 pounds.

(The family has long since died out in Burgdorf.)

(Notwithstanding the above comment there is at present (1924) living in Burgdorf a prosperous business man, Johannes Hunsperger, fuller mention of whom is made on page 19.)

25, October 1678
Chorg. Man. 39, 309

Permission is given to Tobias Hundsperger, an inhabitant of the Alps of Eggiwil, and Cathry Dieboltsweiler, of the valley of Trub, to get married at Muri near Bern.

(This Tobias was a man from the Emmenthal branch of the family. Eggiwil and Trub are situated in this district from which the best cheese in Switzerland is made).

1694-1754

There is a register of the Anabaptists (Menmonites) who in the year 1711 left the Canton Bern with the permission of the government and on many ships went down the Rhine to Holland. Many of them later traveled to America.

There is even extant a book in which those very people were enrolled who gave up their home right. Because these emigrants were obliged to leave behind at home a part of their property (5-10%), many people emigrated without giving notice of their removal.

In the above material which includes the time from 1694 to 1754 there is no one found enrolled who bears the name Hunsberger.

The tradition of the Montgomery County, Pennsylvania, Hunsbergers is that two or three brothers arrived in the year 1723. It is highly probable that among the emigrants described above were the first Hunsbergers to reach America.

Other Swiss material bearing date after 1723 is omitted as unnecessary. However, the following list is given to show the names and occupations of the Hunsbergers of Switzerland. It is significant that the given names are exactly the same as those of the early Hunsbergers in America and that their trades and occupations are also the same.

17 August 1798
Citizen Record

On account of revolution in this year after a new con-

stitution was established, the citizens were enrolled in a register after they had taken the oath of allegiance.

In the district of Wynigen were enrolled:

Andreas Hundsperger, of Kirchberg, a drayman, 27 years old.

Hans Hundsperger, of Wynigen, a butcher, 52 years old.

Peter Hundsperger, of Kirchberg, a linen weaver, 59 years old.

Hans Ulrich Hundsperger, of Kirchberg, a farm worker, 30 years old.

Benedict Hundsperger, of Kirchberg, a farm worker, 22 years old.

Hans Jacob Hundsperger, of Wynigen, a mason, 58 years old.

Jacob Hundsperger, of Wynigen, a mason, 26 years old.

Hans Ulrich Hundsperger, of Wynigen, a linen weaver, 24 years old.

Hans Ulrich Hundsperger, of Wynigen, a rope maker, 36 years old.

Peter Hundsperger, of Wynigen, a rope maker, 22 years old.

In the district Kirchberg there still lived only one citizen of this name, Bendicht Hundsperger, a farmer, 50 years old. His property was called Bruckhalden.

It is to be noted, however, that that part of the district Kirchberg where formerly the Hunspergers lived, namely the villages Bickigen and Schwanden, since 1910 has been annexed to the district Wynigen. Both these small villages are nearer to Wynigen than to Kirchberg.

There are at present (1924) several Hunsbergers living in Bern Canton, Switzerland. The following names are found in the 1924 City Directory of Bern.

Albert Hunsperger, stone polisher, Muesmattstrasse 38.

A. Hunsperger, mechanic, Muesmattstrasse 38.

Paul Hunsperger, postal clerk, Zentralweg 19.

Robert Hunsperger, sick nurse, Brunnenstrasse 104, Bumpliz.

Rosa Hunsperger, polisher, Flurstrasse 17.

All these people actually live in the city Bern but belong to that branch of the family which possesses citizenship (Heimatrecht) in the region of Wynigen. They write the family name Hunsperger not Hunsberger.

The historian has on file letters and forms from two of the above: Robert Hunsperger, of Bumpliz, and Rosa Hunsperger, a widow.

In 1923 the historian sent a note to the postmaster at Wynigen, Bern, Switzerland, requesting that the message be given to any Hunsberger of the vicinity that information about himself would be appreciated.

This note was handed to Mr. Fred Steffen, the agent of the Cunard steamship line. Mr. Steffen has proved to be a most valuable helper in securing information of Hunsbergers now living in his vicinity. Mr. Steffen's own comments are so interesting that several are here given just as he wrote them.

AUSWANDERUNGSAGENTUR

GENERAL AGENT DER CUNARD LINE

Agent in Wynigen

Fritz Steffen

Wynigen, the 8 of Nov. 1923.

MR. BYRON K. HUNSBERGER,

Dear Sir:

From our Postkeeper, Mr. Christen, I received your kind letter from Sept. the 24th.

About the Hunsberger Family I will give you information as good as I can. But two hundred years, well, that is a little long.

First I will give you some enlightenment over our country. Yes, for some years ago was Bikigen Lihwanden a township for herself. But Bikigen has only a few houses and lays on the railroad between two stations.

But now, it is no township, it belongs now to Wynigen. The Hunsbergers came from Bikigen, but right now, I do not know a person or family with the name "Hunsberger" in Bikigen. It must be, that all went away.

The history tells us, 1733 went a few hundred person to Penna. from Switzerland. William Penn made a voyage through Germany and maybe a part of Switzerland to invite the people to come in his new colonie. The history tells us, that

few hundreds followed the invite of William Penn from the Canton of Berne.

Inclosed you find two letters from two brothers with name Hunsberger. They are written in German but suppose it is somebody there who can translate them.

Now, as your cause interested me very much I will send to you every news from the Hunsberger Family. Now it is all I find out.

At last, I will give you some advise, certainly for two hundred years ago, we had no civil law in Switzerland. I think, when a child was born or a man died and somebody went away only the preacher of that township had a control in that time. Now when I am right informed, belonged in that early time Bikigen to the township Kirchberg southwest of here.

Please write to Kirchberg, but you should write in German or French. The address of Kirchberg:

Tit. Gemeindeschreiberei

Kirchberg, Bern, Switzerland.

At last, I give you an address of a girl. Please see her, she can tell you everything about Bikigen.

When you like to know more, write to me.

Very truly yours,

FRED STEFFEN,

WYNIGEN, BERN,

Switzerland.

Wynigen, 9 of March 1924.

MR. BYRON K. HUNSBERGER,

Dear Sir:

Probably you are by this time in corresponding with Herr J. Hunsberger, bookkeeper in Burgdorf, of French Berthoud.

Mr. J. Hunsberger in Berthoud is able to give the nearest information. Yesterday afternoon he came out here to Wynigen and had quite a long speak with me about your matters.

Certainly he write only German and French, but I tell him he should write German, but in French or Roman script.

Now I find out, that the oldest Hunsberger is a Bendicht Hunsberger, born in Bikigen of Wyingen in 1752. Sure we know this Ben is baptised in the church of Wynigen the 17 of September 1752. Now the name of the father, from this Ben, is Joseph. This Joseph must be a relation of them two brethren, which went 1723 to Penna.

But farther back we can find out nothing. Certainly this

Joseph lived about from 1700-1750 in Bikigen or Wynigen. In that old history book is the name Hunsberger, written "Hunschberger".

Now the Hamlet, Hunsberg near Krauchtal is a little farm, that's all but I think not it will have anything to do with your family history.

In your first letter from the 24 of Sept. you write, that two brothers went from Germany. to Penna. But between Germany and Switzerland is a very high difference. We have nothing to do with Germany. Sure we read and write German, but Swiss German, and that is a big difference. Beside German we have French in our schools. As example, our Canton Berne has inhabitants which speak Swiss German and another part speak French.

It is impossible here to be an officer, or get a job on the railroad or Post Office, a man must speak German and French.

At last, it would be good, if you could find out the names of them two brothers, and sent it to Herr J. Hunsberger in Burgdorf.

Faithfully yours,
FRED STEFFEN.

Although Mr. Steffen states that he could find out nothing more, he did not let the matter rest there. In a note dated 3 August, 1924, he states that he went to Kirchberg and won the interest and assistance of the minister of the church there. This minister, in a scholarly way, searched a few records and copied out what concerns the Hunsbergers. This work is in German excepting the dates which are in the Latin form. A literal translation is herewith given.

Kirchberg, Bern, 3 August 1924.

MR. F. STEFFEN, WYNIGEN.

Very respected Sir:

Last evening I searched in the archive a little and found quite old baptism records. One of these which extends from 1683 to 1711 I read through tonight between 11 and 4 and herewith enclose what I have been able to find out regarding the Hunsberger family. Naturally I cannot guarantee that nothing has eluded me; for in four or five hours one cannot with scholarly thoroughness look through a five hundred page record

with partly quite poor text and without index. As soon as I find time I shall be glad to carefully read through the book further and also look into a still older record, but this week it is unfortunately no longer possible even by the help of the nights because today I must journey to the upper country and for the week end much work awaits me.

I enclose for you a copy with which you may perhaps be able to enclose a copy with your letter to America without being obliged to copy out the material.

(Translated from the German.)

Extract from the baptism record of Kirchberg parish 1683-1711

14 March, 1690. Baptized: Elsbeth, child of Caspar Hundsberger and Barbara Christen.

28 December, 1690. Baptized: Anna, child of Caspar Hundsberger and Barbara Christen.

16 November, 1690. Baptized: Catry (?), child of Tobias Hundsberger and Barbara Reist.

25 April, 1692, Elisabetha, child of Tobias Hundsberger and Barbara Reist.

8 January, 1693, Barbara, child of Caspar Hundsberger and Barbara Christen.

24 May, 1694, Johannes Hundsberger, child of Tobias Hundsberger and Barbara Reist.

13 January, 1695, Joseph, child of Caspar Hundsberger and Barbara Christen.

15 October, 1696, Barbara, child of Tobias Hundsberger and Barbara Reist.

20 August, 1698, Hans Jacob, child of Caspar Hundsberger and Barbara Christen.

18 March, 1699, Maria, child of Tobias Hundsberger and Barbara Reist.

March, 1701, Anna, child of Tobias Hundsberger and Barbara Reist.

9 December, 1703, Joseph, child of Tobias "Hunschberg" and Barbara Reist.

20 January, 1704, Catharina, child of Niclaus Hunsberger and Madlena Bracher.

14 March, 1706, Bendicht, child of Niclaus Hunsberger.

Also three families with children, but only five boys. I might also remark that in a record of 1759, I found mentioned

a Hans Hunsberger 59 years of age and a Joseph Hunsberger 52 years of age with which the age data (sent from America) do not closely connect.

Greeted with high esteem

M. VATTER, Minister.

Another result of Mr. Steffen's help is the material received from Mr. Johannes Hunsperger, accountant, of Burgdorf, Switzerland. This Johannes or John Hunsperger has filled the personal record number 2, and has also given his complete genealogy for five generations. In addition to this he enclosed a photograph of his home and family. At a later date he sent also a daguerrotype of his uncle, Benedicht Hunsperger, who left Switzerland to go to America in 1851. Who knows what became of this Benedicht?

Burgdorf, March 4th., 1924.

Dear Sir:

A few weeks ago I have received a letter from Mr. Fritz Steffen in Winigen asking me if I am willing to give you any information about the family Hunsperger, of Bikigen, in Schwanden.

I have answered him that I shall do my possible to correspond to your wishes and I send you herewith the personal record No. 2 regarding my family.

I have the intention to make examinations in Berne at the archives of our canton, in here in the church books and in Wynigen in the books in which are registered the Hunsperger families. But all that wants any days and because I am not able to absent me as me please I must wait till I have the time which is necessary.

You find herein some information concerning my family containing 5 generations, beginning with my grandfather born 1783. In the archives I shall try to find the names of his ancestors. I send you also an extract of a chronic of our town which give you the knowledge, that our family name dates already from 5 centuries.

In your letter to Mr. Steffen you ask, "what does Hunsberg mean?" I am not able to give you a positif answer. My father has said me, when I was a boy, that our first ancestor was

a foundling found near by the hamlet Hunsberg and that this child has received from this hamlet the name Hunsberger. But I don't know, if that is right or not.

In the chronicle of Burgdorf is stated that Bickigen of Schwanden was belonging to Burgdorf till 200 years ago and by authoritative decision was separated from Burgdorf and therefore our name exist no more in Burgdorf but only in Bickigen of Schwanden and now Wyingen.

Never having been in England, but only having taken lessons in the school and in the society of young merchants, I beg to excuse the faults I have made.

In the National Bank in Basle is a Mr. Hans Hunsperger as confidential clerk. I shall write him for try to receive any news from him. I send you here a picture of my family and my house.

Always with pleasure to your service I remain, Sir,
respectfully your

JOHANNES HUNSPERGER.

Doubtless further investigation and research in Switzerland will disclose more material of interest. A very earnest search is now being made in several archives for records of birth or baptism which may disclose the origin of those who first reached America, particularly those three brothers, Hans Hunsperger, Jacob Hunsperger and Ulrich Hunsberger. At any rate in the next chapter considerable data of the third brother, Ulrich, will be given.

CHAPTER II

The First Hunsbergers in America

HANS HUNTSBERGER

The tradition among the Hunsbergers in Montgomery County is that two brothers came to America in 1723. No one is able to give the names of these brothers and those persons who venture a guess at what they think they heard from some ancestor years ago do not at all agree in the names they mention.

In the Philadelphia County Wills Vol. 2, P. 622 is the will of Hans Huntsberger. The historian at present (1924) has only an incomplete synopsis of this will which was signed 14, Sept. 1733 in the city of Philadelphia. It would appear from this that Hans Huntsberger remained in the city of Philadelphia while his two brothers, Ulrich Huntsberger and Jacob Huntsberger settled in Franconia, Montgomery County, Penna. In this synopsis the word "wife" is used but no name is given. There is distinct mention of "brother Jacob," and brother-in-law Jacob Landis. The executors are Jacob Huntsberger and Jacob Landis. One of the three witnesses is Uli Huntsberger, who is mentioned merely as a "witness," not as a brother.

The Montgomery County tradition further says that these brothers (two or three) were about 30 years of age in 1723 when they arrived in America. Hans Huntsberger was then only about 40 years of age when he died and therefore not so well established as his brothers.

JACOB HUNTSBERGER

The first mention of Jacob Huntsperger is in

the will of Hans Huntsberger which will was signed 14 September 1733.

In the tax list for Franconia in 1734 Jacob Hunsberger is listed as owning 50 acres of land, and the name is spelled as above, Hunsberger.

On 14 March, 1738 John Ulrich Hageman sold to Jacob Hunsperger a tract of land in Franconia comprising $102\frac{1}{2}$ acres.

Jacob Huntsberger's will was signed 9 January, 1748 and was proved 10 February, 1748. The will mentions the wife Susanna and children Abraham Huntsberger, Isaac Huntsberger, Barbara and two other daughters (names not given).

Jacob Hunsperger by his will gave his tract of land to his son Isaac Hunsperger. For convenience of description and to correspond to the recital of the deed this Isaac Hunsperger, son of Jacob Hunsperger is called Isaac Hunsperger, Sr.

On 1 February, 1789, Isaac Hunsperger, Sr., sold this land to his brother, Abraham Hunsperger. This Abraham signed his will 21 December, 1777, in which he gave the land to his son, Isaac Hunsperger (who is called Isaac Hunsperger, Jr. to distinguish him from his uncle who is called Isaac Hunsperger, Sr.) The exact words of this part of the will are: "My other plantation—which was conveyed to me by my brother, Isaac, which contains 100 acres, it being the same more or less I give and devise to my son Isaac."

On 29 November, 1785, Isaac Hunsperger, Jr., of Hatfield, husbandman and Cathrine, his wife, for 470 pounds sold to Isaac Hunsperger, Sr., of Rockhill Township, Bucks County that land in Franconia (adjoining) land belonging to the heirs of Abraham Hunsperger deceased (comprising) $102\frac{1}{2}$ acres.

It is clear from the recital of the deeds quoted above that Isaac Hunsperger, Sr., removed to Rock-

hill township, Bucks County, between 1748 (the year of the signing of the will of his father, Jacob Hunsperger) and 1769 (the date of the deed which mentions the residence of Isaac Hunsberger Sr. as Rockhill township.) This Isaac Hunsperger, Sr., was therefore (apparently) the first of the family to take up residence in Bucks County.

Furthermore Isaac Hunsperger, Jr., (grandson of Jacob Hunsperger) removed to Hatfield before 29 November, 1785 (the date of the deed in which the residence of Isaac Hunsberger, Jr., is mentioned as being in Hatfield).

In the recital of the deeds there are references to Abraham Hunsperger's "other land" and "other plantation." This "other land" was immediately adjoining this much-discussed 102½ acres.

By way of recapitulation and review it may be stated that Jacob Hunsperger (brother of Ulrich Hunsberger and Hans Hunsperger) bought 102½ acres of land in Franconia in 1738. This Jacob had two sons: Abraham Hunsperger and Isaac Hunsperger, Sr.

Jacob Hunsperger signed his will 9 January, 1748, by which he bequeathed the 102½ acres to his son, Isaac Hunsperger, Sr.

Isaac Hunsperger, Sr., in 1769 sold this farm to his brother Abraham Hunsperger. Meanwhile Isaac Hunsperger, Sr., had removed to Rockhill township, Bucks County.

Abraham Hunsperger (son of Jacob Hunsperger) signed his will 21 December, 1777, by which he gave this 102½ acres to his son, Isaac Hunsperger, Jr.

Thus the deed to this land was passed about from Jacob Hunsperger to his son, Isaac Hunsperger, Sr., to *his* brother, Abraham Hunsperger, to *his* son,

Isaac Hunsperger, Jr., to *his* uncle Isaac Hunsperger, Sr., so going about in a circle.

ULRICH (ULI, ULIE) HUNSBERGER (HUNDSBERGER)

The earliest date for which there is at present (1924) documentary evidence in connection with the Hunsbergers in America is 1726. William Penn (Montgomery County Deed Book 3, p 481) granted to Francis Daniel Pastorius 893 acres of land in Franconia Township, Montgomery County, Pa., 3 Sept., 1717. Francis Daniel Pastorius, by his last will 26 Dec., 1719, gave 300 acres, part of the 893 acres, to his youngest son, Henry Pastorius. Henry Pastorius and Sarah, his wife, 30 May, 1726, conveyed to Ulie Hunsperger, 200 acres, being part of the 300 acres.

Ulrich did not long retain the entire 200 acres purchased of Henry Pastorius. In the tax list of 1734 of Franconia township we find that Ulrich Hunsberger is assessed for only 150 acres, while Jacob Hunsberger is recorded as owning 50 acres. It would appear from this that Ulrich Hunsberger sold or gave 50 acres to Jacob Hunsberger.

On this farm of 150 acres Ulrich and his wife Catharine lived the greater part of their lives. How many children they had and what their names were has not yet been clearly ascertained. Those Hunsbergers who now (1924) reside in Franconia are quite positive in their statement that their ancestor, Christian Hunsberger, was a son of Ulrich Hunsberger. From the arrangement of the tax list of Franconia of the year 1779 there is reason to believe that the widow of Ulrich Hunsberger and his four sons are indicated. The five names entered are: Christian Hunsberger, Peter Hunsberger, Widow Hunsberger, Isaac Hunsberger, Abraham Hunsberger.

Although there is not positive proof that Chris-

tian Hunsberger was the son of Ulrich Hunsberger, the records of the life of Christian Hunsberger are clear and positive. Mr. Fred Hunsicker Hunsberger and his sister, Miss Kate Hunsberger, of Souder-ton, Franconia, fifth generation from Ulrich Huns-berger, have in their possession an old German Bible in which the following is recorded in beautiful Ger-man script:

“January 28th, 1806 in the morning at 5 o'clock the soul of Christian Hunsperger traveled out of this world to eternity (Blessed are the dead who die in the Lord). His entire age extended over 73 years, 9 months, and 7 days.”

Acording to this record we find the birth date of Christian Hunsperger to be 21 April, 1732, making him a contemporary of George Washington and of equal age.

The only incident that is recorded of Ulrich Hunsberger's life after the purchase of his farm is his share in establishing the Menonite Meeting House in Salford.

(*Montgomery, County Deed Book 36 p. 491*)

THIS INDENTURE made 25 January, 1738 between Henry Funk, Christian Myre, Jr., Abraham Reiffe, of Franconia, and Dillman Kolb, of Salford, yoemen, of the one part and Nicholas Holdeman, Christian Allabaugh, Henry Ruth, Hans Ulrich Berger, Hans Wyerman, Garrett Clemens, Feltus Kratz, Jacob Clements, Jolanas Clements, Hans Reiff, Frederick Alderffer, of Salford aforesaid, Christian Myre Louxe, Andrew Swartz, Henry Clemmer, Jacob Hackman and Ulrich Hunsberger, Jacob Landes, of Franconia aforesaid all in the said county, yoemen, of the other part.

Whereas Henry Ruth and Modlena, his wife, by their indentures of lease and release under their hands and seals bearing date 4 and 5 Oct., 1738, for the consideration therein mentioned did grand and confirm unto the said Henry Funk, Christian Myre, Jr., Abraham Reiff, and Dillman Kolb, their heirs and assigns a certain messuage or tenement and piece

of land whereon the same now stands in Salford aforesaid beginning at a black oak—————10 acres—————a special trust—————for a house and place of religious meeting to and for the people called Baptists or Menonists within the said township of Salford and shall permit and suffer the said piece of land whereon the said messuage is erected and every part thereof with the appurtenances to be and remain a burying place for the burying and interring of all such persons as the said people called Baptists or Menonists shall allow of and to and for no other use whatsoever.

Excepting this one glimpse of Ulrich Hunsberger as a trustee and charter member of the Salford Mennonite Meeting we can only imagine the life of this pioneer on his farm in Franconia. He wrote nothing and no one wrote of him. Only in the court house records do we find his name preserved. In 1753 he sold his farm. No further mention of him is made but it is more than probable that he was buried in the graveyard of the Salford Mennonite Meeting House which he helped to found.

(Montgomery County, Pa., Deed Book 3, p. 481—)

THIS INDENTURE made the third day of May in the twenty-sixth year of the reign of our Sovereign Lord George the second, by the grace of God of Great Britain, France and Ireland, King, defender of the faith, Anna Domini one thousand seven hundred and fifty three;

Between Ulie Hundsperger of the Township of Franconia in the County of Philadelphia and Province of Pennsylvania, yeoman and Catherine his wife of the one part; and Sabastian Penner, of Franconia aforesaid, yeoman, of the other part,

Whereas William Penn Esquire by Patent under the hands of his Commissioners of Property and the great seal of the said Province did grant and confirm unto Francis Daniel Pastorius the quantity of 893 acres of land, to hold to his his heirs and assigns forever, as by the said Patent dated on the 3 Sept. A. D. 1717, recorded in the Rolls Office at Philadelphia in Patent Book A Vol. 5, page 250—

And whereas the said Francis Daniel Pastorius in and by his last will and testament made in writting bearing date 26 Dec. A. D. 1719 did give and devise 300 acres, part of the said

893 acres of land unto his youngest son Henry Pastorius——

And whereas ye said Henry Pastorius youngest son of ye said Francis Daniel Pastorius and Sarah his wife by indenture dated 30 May 1726 did convey unto the above named Ulie Hundsperger the quantity of 200 acres of land, being part of the said 300 acres——

Now this indenture witnesseth that the said Ulie Hundsperger and Catharine, his wife, for 671 pounds lawfull current money of Pennsylvania———have sold———unto the said Sabastian Penner a certain piece or parcel of land situate in Frankonia aforesaid,———containing 150 acres, part of the said 200 acres———

The witnesses to the transfer were Jacob Hackman, who was able to sign his name and Henry Clemmer, who was able to write only his initials "H. C." as "his mark." Ulrich Hunsberger also made "his mark," but this mark is quite interesting because it appears to be an attempt to make a "U" just as Henry Clemmer made his mark by writing "H. C." Ulrich's mark is "V," while that of his wife is a mere cross "X", with the name written by the recorder in German spelling but in English letters: "Catarina Hundspergerin."

Again, in the receipt following the recital of the deed we find a still more succesful attempt to make a "U," as follows:

CHAPTER III

The Decendants of Ulrich Hunsberger

In arranging the genealogical tables each person is given a number to facilitate references that the reader may wish to make. Hans Hunsberger 1, Jacob Hunsberger 2, and Ulrich Hunsberger 3, are counted as brothers and arranged in the supposed order of their birth. Hans Hunsberger 1 had no children. The descendants of Jacob Hunsberger 2 have not yet been clearly traced and tabulated. The evidence in hand seems to indicate that they are mainly found in Bucks County, Pennsylvania.

Considerable progress has been made in finding and arranging the names of the descendants of Ulrich Hunsberger 3. Consequently, in this chapter a first attempt is made to present these names in order. Each reader is earnestly requested to examine this presentation and communicate his suggestions to the historian in order that the names and other historical facts may be corrected and kept up to date.

There is as yet no documentary proof in the hands of the historian as to the children of Ulrich Hunsberger 3. But from interviews, and from a study of the forms which have been filled and returned to the historian, there is proof that this immigrant ancestor had at least two sons, Christian Hunsberger 31 and Peter Hunsberger 32.

There is a comparatively full record of Christian Hunsberger 31. He was born 21 April, 1732, lived in Franconia, and died 28 January, 1806. His will is preserved in Norristown, Pennsylvania, in the court house. Omitting much of the legal phraseology the will is as follows:

....Christian Hunsperger of Franconia Township....
yeoman....very sick in body and far advanced in years, but
of perfect mind, memory and understanding....I do make
....this my last will and testament....that all my just debts
and funeral expenses shall be paid out of my estate....

The six children then of Christian 31 are Abraham 311, Christian 312, Jacob 313, Frederick, 314, Anna 315, Catharine 316.

311 Abraham Hunsperger is the famous "Hum" widely known in Montgomery County as a man of powerful strength, the "Samson" of the family. The stories of his prowess are still rehearsed and keenly enjoyed by all who hear them. Israel H. Hunsberger, of Norristown, Penna., has given three "Hum" stories:

1. One day in the grain field Hum was teased unbearably by two great fighters named Benner. Hum's mother was also helping in the field. At this time Hum was 17 years of age. As the teasing continued all day Hum finally became irritated and said, "It is about time to stop." The mother earnestly begged the teasers to stop. Hum again warned them to stop but they still persisted. At this point Hum struck one of his tormentors a heavy blow and knocked him out. At once he turned to his second assailant and knocked him down so violently that he had to be carried home. Hum did most of the carrying. On reaching the house the wife of Benner asked what had happened. Hum, in an apologetic tone, explained that he had to defend himself. The wife replied: "It is the best thing that could have happened."

2. Hum was taking a load of hay to Philadelphia. He overtook another man also with a load of hay but fast in the mud. This man asked Hum's help. Hum went back of the wagon load of hay, put his back under the wagon, lifted the end of the wagon out of the mud and called to the driver to start his horses. This was done and the journey resumed.

Now it happened that Hum and the other man sold their hay at the same place. The amazing feat of Hum was rehearsed to the bystanders. A noted prize fighter was in the group and immediately asked to have a fight with Hum. Hum declined saying that fighting was only for dogs. The prize fighter thereupon slapped Hum on the face. In an instant Hum seized his assailant bodily and dashed him down upon a chair so violently that the chair was completely broken and all desire for further fighting knocked out of the victim.

3. At one time a stranger asked Hum the way to a certain place. Hum, who had been ploughing, picked up his plough and pointed it in the air and said, "Over that way."

Hum or Abraham removed to Frederick Township. His property transfer gives information of his wife and children, a summary of which follows:

(Montgomery County Deed Book 43, p 604)

9 March 1824

....Between Abraham Smith, of Frederick Township, yoeman,and Jacob Hunsberger, of Frederick Township, yoeman,.....John Millhoff.....1 March, 1812....did grant....12 acres of land....unto Abraham Hunsbergersaid Abraham Hunsberger died intestate leaving a widow named Maria Elizabeth....and 3 children....Abraham, Jacob and Maria (now the wife of David Overholtzer)the said Maria Elizabeth Hunsberger, Abraham Hunsberger and Elizabeth his wife, Jacob Hunsberger and Sally his wife, and David Overholtzer and Maria, his wife....8 March 1824....did grant....the said tract of land unto Abraham Smith (party hereto)....said Abraham Smith....for 112 dollars....sold to....Jacob Hunsberger....all that tractin Frederick....12 acres

Briefly then 311 Abraham Hunsberger bought his farm in Frederick in 1812. His wife's name was Maria Elizabeth and his children were: Abraham 3111, Jacob 3112, and Maria 3113. (Incomplete)

312 Christian Hunsberger was known as "Shriner" or carpenter. He is probably the Revolutionary soldier whose exact identity is not yet proved. Mrs. Yingling, of Huntington, Indiana, has sent the historian the following certificate.

INTRODUCTION

At the fourth annual reunion held at Perkasio on August 8, 1925 it was voted to print the genealogical history of the descendants of 31 Christian Hunsberger, providing sufficient funds be available. At a meeting of the Executive Committee held in Norristown, Pa., on November 7, 1925 it was found that about two hundred dollars were in hand. With still more money in sight from pledges and subscriptions it was deemed practicable to print the names of the descendants of the first son of Ulrich, as voted at the annual meeting. In accordance with the above decision the present chapter is presented, incomplete as it is.

By way of explanation, it may be stated that the work of collecting material has proved to be a most difficult task. Hundreds of persons who have good history information failed to reply to requests to fill blanks and assist in collecting material. On the other hand about a score of loyal, faithful workers collected the material which is here presented. Those "lines" and "branches" which have not been developed and which are not in the book could not be obtained in time for printing. It is hoped that when this chapter is in the hands of the readers, the incompleteness of the records will so appeal to the members of the family that they will exert suitable efforts to collect the desired information. At some later date it may be possible to publish a more complete and more accurate history, but the committee feels that we ought to put out what we now have in the hope and expectation that this will be the means of securing more interest and more information.

Not only is the chapter far from complete but in it undoubtedly many mistakes will be found in the material as given. Each reader who finds mistakes of dates or facts or spelling is invited to correspond with the historian so that corrections can be made on our permanent files and that future printing may be more nearly correct.

Only the descendants of 31 Christian Hunsberger are in this volume. Four other "lines" are in process of preparation, as stated above, and will be published at a later date. If any member of the family is disappointed at not finding his name in this book, he is invited to correspond with the historian. Either he belongs to another "line" or his connection has not yet been established. The historian has at the present time several hundred names which cannot be placed because of the fact that there are several "missing links." Finding these missing links and proving connections is the real problem and one which challenges the most painstaking and careful search.

To all who filled blanks and wrote letters credit is due for the material here presented. Their names are too numerous to print at this time. But in addition to those who gave information of themselves and of their immediate families, unstinted and generous thanks are due to the following for going out of their way to seek history information and for taking the time to fill many forms and write many letters. It is these faithful workers who made this volume possible and who assisted in collecting the other material still waiting to be published.

First of all should be mentioned Frederick H. Hunsberger, of Souderton, Pa., whose unceasing and minute care in collecting information almost impossible to get makes this volume more complete than the other "lines" being developed but only half so complete as this.

Charles Albert Hunsberger, Sec-Treas., Philadelphia.
Mrs. Samuel W. Gross, Plumsteadville, Pa.
Miss Elizabeth H. Heimer, Philadelphia.
Samuel Hunsberger, Vineland, Ontario.
Lucien E. Gunn, Elkhart, Indiana.
Henry S. Landes, Souderton, Pa.
Ellis H. Souder, Souderton, Pa.
Mrs. John J. Brooke, Norristown, Pa.
Mrs. Morris H. Seasholtz, Pottstown, Pa.
Mrs. William A. Shaner, Pottstown, Pa.
Jesse L. Hunsberger, Taneytown, Md.
Samuel Hunsberger, Goshen, Indiana.
Mrs. L. E. Custer, Dayton, Ohio.
Fred Eliot Hunsberger, Delaware, Ohio.
Mrs. Viola J. Davidson, Steelton, Pa.

To Isaac Newton Huntsberger, who died recently, the Association is indebted for a good outline genealogy of his "branch" of the family. This branch is now being developed and can be printed in the near future.

Lastly and especially credit is due to Isaac Witman Huntzberger, of Washington, D. C., for the organization of the Family Association. It was his initiative and foresight which launched the great enterprise in which we are now engaged. In the summer of 1922 about sixty persons organized the Association by electing Mr. Huntzberger its first president.

Even though the material be at hand, without money no printing can be done. To all those who contributed funds special thanks are due. The annual financial statement will show all receipts of money recorded by the names of the donors. To save space their names will not be printed here. Since January 1, 1925 no less than 100 persons have made money contributions either to the historian or to the treasurer or to both.

THE NUMBERING SYSTEM

The first three brothers are numbered 1 Hans Hunsperger, 2 Jacob Hunsberger, 3 Ulrich Hunsberger. The children of each carry the father's number and add their own. Thus, the three children of Ulrich would be 31 Christian Hunsperger, 32 Peter Hunsperger, 33 John Hunsberger. Then the children of Christian in order would be 311 Abraham Hunsberger, 312 Christian Hunsberger, 313 Jacob Hunsberger, 314 Frederick Hunsberger, 315 Anna Hunsberger, 316 Catharine Hunsberger. In like manner each generation bears the number of the preceding generation plus its own number. Thus the number of figures shows the generation since the first ancestors arrived in America and each figure shows what rank that child had in order of birth in his own family.

HOW TO FIND A NAME IN THIS BOOK

The index is arranged alphabetically by family names, and sub-indexed by given names followed by middle names. The

custom of giving the mother's maiden family name as the middle name of each child has been observed. Thus *John Keyser Hunsberger* means that the father's name is *Hunsberger*, the mother's family name *Keyser* and the child's given name *John*. Sometimes two given names are found and where this occurs they both are placed before the mother's family name; as *George Washington Hallman Hunsberger*.

Accordingly, to find the name *George Washington Hallman Hunsberger*, look first for *Hunsberger*. Then under *Hunsberger* run down to *g*, then to *George*, then to *George Washington*, then to *George Washington Hallman*. This name bears the number of the person in the genealogy and can readily be found in its proper place in the text of the book.

Married women are indexed by the husband's name, if that name is known, otherwise by the maiden name. Young children are not separately indexed but are to be found by tracing the father's name.

HOW TO FIND YOUR FIRST ANCESTOR

Suppose your number is 312,143,27. This shows that you are the eighth generation from Ulrich, one of the first three ancestors. As you drop one figure after another you get back step by step to this 3 Ulrich. That is, 312,143.2 represents your parent (father or mother); 312,143 represents your grandparent; 312,14 represents your great grandparent; 312,1 represents the great great grandparent; 312 represents the ancestor before that; 31 *his* father, and 3 *his* grandfather. In this way any one who is in the "31" line can find his Hunsberger connection at a glance. The "32" and "33" lines are in process of preparation and as soon as funds are in hand can be printed.

In Part I, "The Hunsbergers," published in 1925 considerable information was presented concerning the three Hunsberger brothers who arrived in America from Switzerland about 1723. Their names were Hans (John), Jacob, and Ulrich. The wills of both Hans and Jacob are on file in the Philadelphia County court house.

But no will of Ulrich has been found. The only dates referring to Ulrich recorded are the dates of the purchase and the sale of his farm in Franconia and his being a charter member of the Lower Salford Mennonite Meeting. (Part I p 24.)

How many children Ulrich had has not yet been proved. The compiler's father, William Oberholtzer Hunsberger, who (1925) is eighty-two years of age and whose memory is unusually accurate, says that his great grandfather had "lots" of brothers and sisters. This statement is useful because it is a reference to the children of Ulrich. Up to the present time (1925) the compiler has not been able to find the names of any of Ulrich's children as such in writings of the time. The only way in which the tradition can be supported is by oral statements gathered from different persons. The tradition in Montgomery County that Christian is the son of Ulrich is so positive and so common that it must be considered and examined.

Out of a maze of reports and statements the following five have proved useful:

William O. Hunsberger makes the following assertions:

1. "My grandfather, Samuel, married a Hunsberger girl.
2. "Frederick Hunsberger, who settled at Souderton (so named much later), was an uncle of my father, Peter.
3. "My great grandfather was Peter and he had 'lots' of brothers and sisters.
4. "Frederick H. Souder of Lansdale is a 'cousin' of mine."

A further statement by Israel H. Hunsberger adds further light:

5. "Hum (311 Abraham, the Samson of the family) was a cousin of my great grandfather, Samuel."

Assuming these five statements as true we can plot the relationships as stated above and examine them in detail.

1. "Samuel married a Hunsberger girl." This Samuel is placed now as 323. 31 Christian had a daughter Catharine who disappeared from the records and memory of the descendants of 31 Christian, as many of the daughters did who married in those days. The will of 323 Samuel on file in the Chester County Court house mentions his wife "Catharine" and all his children, among them "Peter."

2. "Frederick Hunsberger who settled in Souderton was an uncle of my father." Now this Frederick was the brother of 316 Catharine who married 323 Samuel. Consequently he was an uncle of 316 Catharine's child, Peter, father of William O. Hunsberger.

3. "My great grandfather was Peter and he had a lot of brothers and sisters." This great grandfather was 32 Peter. But we have no material at hand by which to determine how many brothers and sisters he had or their names.

4. "Frederick H. Souder of Lansdale" is a son of Hannah the daughter of 314 Frederick. Accordingly 314 Frederick and William O. Hunsberger are both second cousins and third cousins because their grandparents who married were first cousins.

5. The statement of Israel H. Hunsberger adds further weight to the relationship. "Hun" or 311 Abraham was a brother of 316 Catharine. When asked why 311 Abraham is not called the brother-in-law of 323 Samuel, the reply was made: "The relationship of cousin came before the relationship of brother-in-law, but both are true."

Thus without documentary evidence excepting the will of 32 Peter and the will of 31 Christian which merely give the names of wife and children in each instance, we are able to demonstrate the fact that 31 Christian and 32 Peter were brothers.

That they were sons of Ulrich is highly probable but cannot be absolutely proved. It is known that 1 Hans made no mention of children in his will and 2 Jacob's will has no name of Christian or Peter as his son. There is no record of any

other Hunsberger in Montgomery County at that time old enough to be the father of 31 Christian and 32 Peter. Hence it is highly probable that they were the sons of Ulrich. This probability is supported by emphatic oral tradition and there is no contradictory evidence or tradition.

Beginning with 31 Christian we have wills, deeds, settlements of estates, burying ground records and the clear memory of persons now living. Consequently the genealogical history of the descendants of 31 Christian Hunsberger is presented with confidence that it is correct in the main. In the matter of details there are undoubtedly many errors and many omissions as stated elsewhere in the introduction.

311 Abraham Hunsberger

Up to the present time (1925) the most diligent search has not enabled us to find the grave of 311 Abraham, the famous strong man of the family. However we have found the grave of his wife. At Bertolet's Mennonite Cemetery in Frederick Township, Montgomery County, Pa., is a grave marked thus: "Maria, wife of Abr^m Hunsberger, nee Benner, died March 10, 1848. Age 91 yrs, 5 Mos, 29 das." This would make the year of birth 1756.

In the property transfer (Part 1, p 31) we are told that the wife's name was "Maria Elizabeth" and we also note that the estate was settled in 1824. We can then infer that Abraham was born 1755 and died in 1824.

This same deed records the fact that Abraham bought the property in 1812. He therefore held it only 12 years.

311 Abraham Hunsberger, d 1824, m Maria Elizabeth Benner (1756-1848), bur Bertolet's Mennonite, Pa., r Frederick, Pa., oc. farmer.

Miss Elizabeth H. Heimer gives this additional "Hum" story: (See part I, p 30)

Hum used to get up early to start his farm work. This early rising annoyed the other men. One morning one of the men arose before Hum, put a white sheet around himself and stood where Hum would pass. As Hum approached, the white figure reproached him for getting up to work while it was still night.

Without replying, Hum picked up stones to throw, large stones, such as a giant could throw. At this gesture the robed figure promptly dropped the sheet and exclaimed, "Don't throw. It is only I."

After graduating from Wyoming Grammar School in Philadelphia, he attended a boarding preparatory school in New Jersey for about two years. This was his entire schooling. Shortly after this he entered the office of the Saranac Silk Mills which later became, in 1892, the Hensel Silk Mfg. Co. of Philadelphia. These mills specialized in "upholstery trimmings."

He was for over 22 years President and General Manager of this company, which thru his administration came to be known as one of the foremost "narrow fabric" mills in the country. He owned the majority of this mill. For about seven years he was President of the Hensel-Ziegler Trimming Company of Boston,

Mass., which was the only exclusively Special Order upholstery trimming house in the country. He held these two offices simultaneously.

He was a member of the Business Science Club of Philadelphia, was for many years librarian of the Fortnightly Club (men's chorus) of Philadelphia, and among philanthropic activities was a manager of the Helping Hand Mission in Philadelphia. He had been since boyhood an active "homing pigeon" fancier. He was a member of Christ Lutheran Church of Chestnut Hill, Philadelphia. His most outstanding personal traits were his integrity and devotion to his ideals. His quiet philanthropies have served to beautify and fill in his character, 4 children: 313,19a1,1 John Roy, 313,19a1,2 Barbara Amalia, 313,19a1,3 Elenor Virginia, 313,19a1,4 Maria Emma.

Lived in Franconia and Lower Salford with father and also with grandfather "Fritz" until he was nine years old. In 1862 enlisted in the Federal Army at Mainland, Pa., was assigned to Company H, 98th regiment Penna. Volunteers, Third Brigade, Third Division, Sixth Corps, under Brigadier General Weeden of Rhode Island and Division General Reilly. The Sixth Corps comprised 42,000 men. Samuel served for three years until the end of the war.

On the first day of the Battle of Gettysburg this Division was in camp near Baltimore. At nine o'clock that evening they were ordered to Gettysburg. All night and until 2 P.M. of the next day they marched with heavy equipment covering 46 miles, and arriving at Gettysburg with the 98th regiment at the head of the Sixth Corps.

"One hour later took part in a charge aiding a body of Pennsylvania reserves to advance their line to the stone wall skirting the wheat field, which position they held till dusk, when the 98th was ordered back to join their brigade from which they had become separated, and were held in reserve till the end of the battle, two officers and eleven men were wounded, one dying of his wounds." (from "Pennsylvania at Gettysburg.")

Samuel was also in the second battle of Fredericksburg, was led over the Rappahannock, driven back again and marched about until tired out. He was in the Shenandoah Valley campaign with Sheridan and in the Battle of Winchester; also at Petersburg and Hatches Run.

On the day of Lee's surrender Samuel was on picket duty nearby. The order came to cease firing

and make no advance. Soon Lee came out and "soon after that," says Samuel, "there was peace."

Samuel was twice slightly wounded; once on the scalp, and once on the left hand which still shows the scar. On 20 June 1865 he was mustered out with honorable discharge.

The following is from the Adjutant General's Office, Washington, D. C. "98th Penna. Volunteer infantry took part in 23 battles and principal engagements. Strength at Gettysburg 29 officers and 377 men. Total enrollment about 1,400. Killed in action 82. Died of wounds and disease 106. Wounded 358. Captured or missing 54."
